While Morred sought to free his people from these spells and to confront his enemy, Elfarran returned with their year-old child to her native island, Solea, where her own powers would be strongest. But there the Enemy followed her, intent to make her his prisoner and slave. She took refuge at the Springs of Ensa, where, with her knowledge of the Old Powers of the place, she could withstand the Enemy and force him off the island. "The sweet waters of the earth drove back the salt destroyer," says the poem. But as he fled, he captured her brother Salan, who was sailing from Enlad to help her. Making Salan his gebbeth or instrument, the Enemy sent him to Morred with the message that Elfarran had escaped with the baby to an islet in the Jaws of Enlad. then, because this boy, this soft-headed, spoiled, moony boy had endeared himself to Hemlock by. along, and go with him: at least I would learn something. They jolted on all the next day through a summer thundershower or two and carne at dusk to Kembermouth, a walled, prosperous port city. They left the carter to his master's business and walked down to find an inn near the docks. Dragonfly looked about at the sights of the city in a silence that might have been awe or disapproval or mere stolidity. "This is a nice little town," Ivory said, "but the only city in the world is Havnor." Old Hardic differs in vocabulary and pronunciation from the current speech, but the rote learning and regular speaking and hearing of the classics keeps the archaic language meaningful (and probably puts some brake on linguistic drift in daily speech), while the Hardic runes, like Chinese characters, can accommodate widely varying pronunciations and shifts of meaning. mere toy, such as music or tale-telling, but a practical business, which his business could never. swimming.
